### About the Council of Educational Facility Planners International:

The Council of Educational Facility Planners International (CEFPI) is the only professional organization whose principal purpose is improving the places where children learn. CEFPI embraces a diverse group of professionals with one single goal – building healthy, safe, high performance and sustainable learning environments that enhance student and teacher performance and support culture and community vitality. To learn more, visit [www.cefpi.org](http://www.cefpi.org)

**About the Global Institute of Sustainability:**

The Global Institute of Sustainability is the hub of Arizona State University's sustainability initiatives. The Institute advances research, education, and business practices for an urbanizing world. Its School of Sustainability, the first of its kind in the U.S., offers transdisciplinary degree programs to create practical solutions for environmental, economic, and social challenges.
